

Mastering Online Teaching: GTA Course Facilitation

Mastering Online Teaching (MOT): GTA Course Facilitation is a multi-week, primarily asynchronous, online mini-course delivered through iCollege with recommended synchronous webinars. MOT is taught by staff at the Georgia State University Center for Excellence in Teaching and Learning. The goal of this course is to introduce GTAs to best practices in student engagement and monitoring techniques for online courses. To learn about how to claim badges from the Center for Excellence in Teaching and Learning, visit <https://cetl.gsu.edu/claim-your-badge/>.
