

Mastering Online Teaching: Fundamentals of Course Design and Delivery

Mastering Online Teaching (MOT): Fundamentals of Course Design and Delivery is a multi-week, primarily asynchronous, online mini-course delivered through iCollege with recommended synchronous webinars. MOT is taught by staff at the Georgia State University Center for Excellence in Teaching and Learning. The goal of this course is to introduce to faculty who are new to teaching online the fundamentals of online course design and delivery. To learn about how to claim badges from the Center for Excellence in Teaching and Learning, visit <https://cetl.gsu.edu/claim-your-badge/>.
